We, Family Stoop, invite you cordially to celebrate the Arabian Horse Weekend together with us in 2022

Thank you for your interest in the Arabian Horse Weekend, the Netherlands. This year we will organize the Arabian Horse Weekend for the 19th time at 21 & 22 May 2022. We will organize an International C-show, European C-show and Straight Egyptian Cup.

In 2020 we moved to a new location where we had more possibilities and space to build more stables and larger VIP tents to invite owners, sponsors and friends for a great and safe weekend during the pandemic. Last year the show was a great succes with **over 150 entries and 40.000 views** all around the world by livestream, provided by Arabian Essence.

Sponsors choose the Arabian Horse Weekend for the luxurious and large VIP arena with a great hospitality, good food and atmosphere. Due the livestream and live-scoring by Arabian Essence, you can promote your farm worldwide.

Trainers choose the Arabian Horse Weekend because of the big arena and at the new location, the arena is on sand. It's a great experience for young horses. Participants and visitors choose the Arabian Horse Weekend of the fantastic entourage, unique handmade thropies, great atmosphere and wonderful horses!

Please find hereby our sponsor opportunities and please let us know if you have any questions.
