

Arabian Horse Weekend

20 & 21 May 2023
ECAHO Int. B-show
European C-show

We, Family Stoop, invite you cordially to celebrate the 20 years anniversary of the Arabian Horse Weekend together with us at 20 & 21 May 2023!

Thank you for your interest in the Arabian Horse Weekend, the Netherlands. This year we will organize the 20 years anniversary of the Arabian Horse Weekend at 20 & 21 May 2023. We will organize an International B-show and an European C-show.

The province of North Brabant is famous for its hospitality and relaxed atmosphere, and it is exactly this vibe that we, as organisers, have always been striving for at our show. Last year the show was a great success with **over 120 entries and 67.000 views** all around the world by livestream, provided by Arabian Essence.

Sponsors choose the Arabian Horse Weekend for the luxurious and large VIP arena with a great hospitality, good food and atmosphere. Due to the livestream and live-scoring by Arabian Essence, you can promote your farm worldwide.

Trainers choose the Arabian Horse Weekend because of the large outdoor arena, which is set up in such a way that horses will feel confident in it. It's a great experience for young horses. Participants and visitors choose the Arabian Horse Weekend for the fantastic entourage, unique handmade trophies, great atmosphere and wonderful horses!

Please find hereby our sponsor proposal and please feel welcome to join us and enjoy beautiful Arabian horses and Dutch culture at a luxurious estate!
